

December 28, 2018

***Northern Tier Transmission Group Stakeholders:***

The public stakeholder review and comment period on the Draft Regional Transmission Plan of the Northern Tier Transmission Group (“NTTG”) is now open. NTTG invites you to read the report, and welcomes your comments or suggestions for improvement.

The Draft Regional Transmission Plan is located on the NTTG website and can be accessed by clicking [Link to 2018-2019 NTTG Draft Regional Transmission Plan](#). Please use the “[NTTG Stakeholder Comment Form](#)” that is also posted on the same page to submit your comments via email to [info@nttg.biz](mailto:info@nttg.biz).

Comments are requested by January 25, 2019. The Planning Committee will evaluate all comments received and adjust the draft plan accordingly or reply to the submitter as to why the draft plan remains unchanged. Additionally, a summary of all comments will be posted on the NTTG website, along with the latest version of the report.

Thanks again for your interest in the Draft Regional Transmission Plan. NTTG encourages you to stay involved as we complete the 2018-2019 transmission planning process.

Questions can be emailed to [info@nttg.biz](mailto:info@nttg.biz).

Sincerely,

*Chelsea Loomis*

2018-19 Chair, NTTG Planning Committee
