

Northern Tier Antitrust Policy

On March 5, 2007, the Steering Committee of the Northern Tier Transmission Group adopted the following Antitrust Policy.

Policy

The Antitrust Policy of Northern Tier is as set forth below, and shall be acknowledged at the beginning of every Northern Tier meeting:

It is the policy of the Northern Tier Transmission Group to fully comply with federal and state antitrust laws. Participants shall be mindful that an essential objective of NTTG is promoting or enhancing competition. Discussions in the following areas in particular can be very problematic and in some cases prohibited, and require careful attention for antitrust compliance:

- your company's prices for products or services;
 - prices charged by your competitors;
 - allocating markets, customers, or products;
 - limiting production; and
 - excluding dealings with other companies.
-
